Content

Build your team in your classroom and ensure group cohesion to foster a positive learning environment. This workshop introduces several team building activities. Assess these in terms of their suitability for different groups. Discover which are the principles behind team building activities and discuss why and when to use these with our learners.

Course language

English

Target audience

Teachers in adult education.

Aims

To familiarise yourself with different team building activities

To assess the suitability of team building activities for different groups

To create a small portfolio of different activities
